

Akmal Hariz Bin Azidi

+60183102567, akmal.hariz.5504@gmail.com, [Akmal Hariz](#), [Portfolio](#)

PROFILE

I am a Bachelor's in Computer Science (Information System) student seeking a **24-week internship (4/8/2025 – 23/1/2026)** in Data Analysis, Business Analysis, or Information Technology . A fast learner with strong analytical, communication, and teamwork skills, fluent in Malay and English. Passionate about applying technical knowledge in a dynamic environment to gain industry experience and contribute to data-driven decision-making

PROJECTS

Mobile Application : Service Flex

Java, Firebase, Android Studio

- Implemented core functionalities: User authentication, service listings, and booking management for seamless experience
- Integrated Firebase for real-time database management, enhancing app responsiveness and scalability.

Database Management System

SQL, Oracle

- Developed a DBMS for He&She Coffee to optimize stock and inventory management
- Analyzed existing processes and collaborated with team management team to identify inefficiencies and areas for improvement

Obesity Prediction Machine Learning

Python

- Developed a machine learning model to predict obesity levels using demographic and lifestyle data
- Implemented data preprocessing, feature engineering, and model evaluation techniques to identify key risk factors contributing to obesity

Energy Usage Prediction Machine Learning

Python

- Developed to predict monthly energy usage using supervised algorithms and data preprocessing techniques
- Performed comparative analysis of multiple ML algorithms to identify the best-performing model through exploratory data analysis and evaluation metrics

EDUCATION

Oct 2023 — Mar 2027

Bachelor of Computer Science (Information Systems), Universiti Malaya

CGPA : 3.32, (3/7 Semesters)

Kuala Lumpur

Relevant Coursework : Fundamentals of Programming (Java), Data Structures & Algorithm (Java), Machine Learning (Python), Prob & Stat in CS (Python), Mobile App Development (Java), Database (SQL), System Analysis and Design, Project Management

Aug 2022 — Jun 2023

Foundation in Life Sciences, Universiti Malaya

CGPA : 3.58

Kuala Lumpur

EXTRA-CURRICULAR ACTIVITIES

Oct 2023 — Present	Data Analytics Club Executive Committee Member, Universiti Malaya Managed and participated in a series of events including talks, workshops, seminars related to data science, data analysis, machine learning and data visualization <ul style="list-style-type: none">• Event Management Associate (UMDAC)• Program Protocol Associate (DataHacks)
Oct 2023 — Present	Persatuan Komputer Universiti Malaya (PEKOM) Executive Committee Member, Universiti Malaya Managed a series of programs for PEKOM projects including open days, sports events and career fair <ul style="list-style-type: none">• Program and Protocol Member (Dean’s Cup 2024)• Program and Protocol Member (Information System Day 2024)• Program and Protocol Member (MYTECH Career Fair 2025)

VOLUNTEERISM

Jan 2022	Community Volunteer (Rukun Tetangga) • Volunteered in community outreach program at Jalan Chow Kit to support homeless individuals and families	Kuala Lumpur
Nov 2024	Robomania 2024 • Volunteered at Pusat Sains Negara as a field runner for a robotics competition where teams built soccer-playing robots.	Kuala Lumpur
Nov 2024	Learning Facilitator • Volunteered as the learning facilitator for TCS Assignment where I teach Ai fundamentals to primary school students (SK Bukit Kuda, Klang)	Klang

SKILLS	Ability to Work in a Team	Expert	Python	Experienced
	Time Managemet	Expert	SQL	Experienced
	Adaptability	Expert	Firebase	Experienced
	Java	Experienced	Oracle	Skillful
